Received a call about 1:00 this evening to assist OFF. SALINAS in the Viking Hill Park, which is back on the south side of Viking Hill Elementary were DET. SALINAS had found some clothing and garments which may possibly be evidence in reference to this case. I went there and took a total of 15 photographs and they are to be as follows:

- 1 - Complete overall photo showing all contents in area
- 2 - Photos of slip and panties from different directions
- 1 - Photo of the advertise paper, part belongs to plastic underwear
- 1 - Photo of torn underwear
- 1 - Photo of trash can and relationship from the slip and underwear
- 2 - Photographs of vaseline bottle, showing its location to the other garments
- 1 - Photograph of the trash can
- 2 - Photographs showing the contents inside the trash can (bra, underwear, and plastic underwear and beer cans)
- 1 - Photograph of bra, underwear, plastic underwear and beer cans laid out on concrete
- 3 - Closeups of size and brand name tags of the garments found-

The film was turned in to Special Investigator's Lockers to be developed as evidence and be attached to this case. I also took measurements of the park area where the garments and items were found. Will make a rough graph tomorrow, 7-19-82. No further information at this time
