

DEPARTMENT OF:

My name is Kabanana Lillian Rose  
 D. Rude at 5700 Hawthorne #206 Waco,  
 I have known Mureed Deeb for 4 yrs  
 I have come out with him on several  
 occasions. He apparently developed  
 a romantic interest in me. Over  
 the last year he has called me &  
 asked me out but I didn't want it.  
 He said "This is it, your time is  
 your life is over." This occurred  
 last weekend. He had threatened  
 to kill my guy that I went out  
 with before. He told Deeb  
 several times he shouldn't call me  
 or try to see me but he persisted  
 on doing so. I have found him  
 sitting in his car outside my  
 apartment watching it on several  
 occasions. I have told him repeatedly  
 to leave me alone and then tonight  
 I came home from a date and  
 him driving around my apartment  
 Me & my date left & he stayed  
 a while later we found him sitting  
 in his car watching my apartment  
 I didn't go to my apartment  
 because I was afraid that he would  
 hurt me or my date since he had  
 threatened me that he would  
 hurt me or anyone I went out with  
 I left I went to a phone to call  
 Deputy Truman Simon since he  
 is familiar with my situation with Deeb
